The FA have allowed 2019/20 Cup Finals to be played at the start of the season, providing they are at the final stage. Our 2 Divisional & 2 Challenge cups are at that stage so it was agreed to play these over four consecutive weeks in their original order. The first Final will be held in week two after we start.

Due to price increases Grade 1 pitch prices will increase by £ 1.00 per club.
Referees fees will also go up to £38.00 (£ 19.00 per club).

Ideally providing a venue is available we will meet with clubs before the season commences.
